## FL3-Series Multi-Mount Flood Light

The FL3-Series Multi-Mount LED Flood Light is a high output, high efficiency commercial-grade flood light collection designed to make installation versatile and convenient.

Each flood light includes a trunnion mount that can be removed and replaced with optional mounting attachments including a mounting arm or slip fitter, making these fixtures ready for any application.

### Key Features & Benefits

- Optional interchangeable mounting arm or slipfitter attachments make it easy to adapt these flood lights to any application
- Operates in -40°F/-40°C degree outdoor weather
- 0-10V dimming for maximum control and energy savings
- IP65 rated for dust tight, protection against waterprojected from a nozzle
- Black contemporary finish to complement all outdoor environments
- Includes trunnion mount that can be detached for optional mounts

## WHY CHOOSE THIS FIXTURE?
