

Compact Low-Profile Flood Lights

30W / 50W / 70W / 90W

120-277V / 4000 K

FL4C Series Compact Flood Lights

Key Features & Benefits

The FL4C Compact Flood series is a low-profile LED flood light designed to illuminate building perimeters, walkways and landscapes or for wall graze and wall wash accent lighting. Multiple mounting options are available, making it a versatile solution for any outdoor project.

- Up to 137 lumens/W
- Low-profile, light-weight design
- Durable polycarbonate lens
- Designed to easily mount onto waterproof j-box
- Versatile mounting options: 1/2" NPT Knuckle, Yoke, Trunnion, Mounting Arm or Slip Fitter*

*Mount not included. See Mounting Options for details.

WHY CHOOSE THIS FIXTURE?

HIGH OUTPUT LEDs

Premium SMD LEDs provide up to 140 lumens per watt

LOW-PROFILE & LIGHT WEIGHT

A sleek, low-profile form factor makes these purpose-built for small to mid-size flood light applications

MULTIPLE MOUNTING OPTIONS

Add the mounting option you need to complete your project: Knuckle, Yoke, Trunnion, Slip Fitter or Mounting Arm

READY FOR THE ELEMENTS

IP65 rated and operates down to -40° making it ready for any weather

ADD YOUR MOUNTING OPTION*

KNUCKLE

Angle-adjustable and easily mounts the FL4C with 1/2" NPT thread onto conduit or junction boxes

YOKE

Mount the FL4C onto the ground, floor or any flat surface and easily adjust it to shine up or down

TRUNNION

Similar to the yoke, the trunnion mount is for attaching the FL4C to any flat surface and works well with square pole applications

SLIP FITTER

Fits the FL4C onto a 2" - 2 3/8" tenon to mount to a pole, bracket or bullhorn

MOUNTING ARM

Easily mount the FL4C onto a wall or the side of a square or round pole

*All mounts are sold separately.

Available Models

MODEL#	VOLTAGE	WATTAGE	LUMEN	CRI	CCT	OPERATION RANGE	DIMMING
FL4C-304-1	120-277VAC	30W	4,116 lm	80+	4000 K	-40°C to 50°C / -40°F to 122°F	0-10V
FL4C-504-1		50W	6,963 lm				0-10V
FL4C-704-1		70W	9,742 lm				1-10V
FL4C-904-1		90W	12,472 lm				1-10V

Mounting Options (Ordered Separately)

MODEL#	DESCRIPTION	COMPATIBLE WITH
FL4C-KN	1/2" NPT knuckle mount for 30W and 50W models	FL4C-304-1 / FL4C-504-1
FL4C-KN-L	1/2" NPT knuckle mount for 70W and 90W models	FL4C-704-1 / FL4C-904-1
FL4C-MA-S	Mounting arm for 30W model	FL4C-304-1
FL4C-MA-M	Mounting arm for 50W model	FL4C-504-1
FL4C-MA-L	Mounting arm for 70W and 90W models	FL4C-704-1 / FL4C-904-1
FL4C-SF-S	Slip fitter mount for 30W model	FL4C-304-1
FL4C-SF-M	Slip fitter mount for 50W model	FL4C-504-1
FL4C-SF-L	Slip fitter mount for 70W and 90W models	FL4C-704-1 / FL4C-904-1
FL4C-TR	Trunnion mount for 30W and 50W models	FL4C-304-1 / FL4C-504-1
FL4C-TR-L	Trunnion mount for 70W and 90W models	FL4C-704-1 / FL4C-904-1
FL4C-YK-S	Yoke mount for 30W model	FL4C-304-1
FL4C-YK-M	Yoke mount for 50W model	FL4C-504-1
FL4C-YK-L	Yoke mount for 70W and 90W models	FL4C-704-1 / FL4C-904-1
