

TRS Tube Ready Strip

HIGHLIGHTS

Tube Ready Strips are designed for maximum flexibility, pre-wired for double ended line voltage LED tubes (Type B) and external driver double ended LED tubes (Type C). These fixtures, coupled with our LED retrofit tubes, provide the end-user with the ability to address their specific needs with maximum ROI: low costs, ease of maintenance, energy savings, and low installation times.

CERTIFICATIONS

- UL Listed for dry and damp locations

PERFORMANCE

- Pre-wired for bypass/line voltage double-ended LED T8 or T5 tubes
- White finish
- Compatible with any suitable T8 or T5 LED tubes

CONSTRUCTION

- Galvanized sheet steel body
- Post-fabrication powder coating for improved corrosion resistance
- Shunted sockets

WARRANTY

- 5 Year limited warranty available [online](#). Contact your EiKO sales rep for additional details.
